Enclave at Lochmere-Project Policy

Enclave at Lochmere homeowners are financially responsible for damages and associated repairs that occur on personal or HOA property during a project whether by a hired contractor or if doing the work themselves. In addition, if any utility (electric, gas, sewer, etc...) lines are discovered and need to be moved for the project to proceed, the homeowner is financially responsible for the work associated to move the lines.

This policy was approved by the Board of Directors May 20, 2021
